Jaipur, Rajasthan | +91-9507866197 | rajutkarsh1910@gmail.com | github.com/cser-utkarsh-raj

Professional Summary

Computer Science graduate with hands-on experience in Java, Spring Boot, React and Python. Strong foundation in backend development, REST APIs, microservices, MySQL and CI/CD fundamentals with practical exposure to Docker and Jenkins.

Education

Jaipur Engineering College and Research Centre	2022 – 2026
Bachelor of Technology in Computer Science	CGPA: 8.19
Public Central School	2020 – 2021
Higher Secondary (Class XII)	72%
DAV Public School	2018 – 2019
Secondary (Class X)	91.60%

Technical Skills

Languages: Java, Python, JavaScript, SQL

Frameworks: Spring Boot, React, Flask

Database: MySQL

Tools: Git, GitHub, Docker, Jenkins, Maven, Postman

Core Concepts: REST APIs, Microservices, OOP, DSA, DBMS, Operating Systems, Computer Networks, CI/CD Fundamentals

Professional Training

Capgemini – Software Engineering Trainee Jan 2026 – Jun 2026

- Completed enterprise training in Core Java, Spring Boot, React, SQL and REST APIs.
- Built microservices-based applications following Agile practices with exposure to Docker, Jenkins, Git and CI/CD.

Projects

Stationery Management System Java, Spring Boot, React, Docker, Jenkins

- Developed an enterprise stationery inventory and procurement platform using Spring Boot microservices.
- Implemented REST APIs, API Gateway, service discovery and centralized configuration.
- Containerized services using Docker and integrated Jenkins for automated CI/CD.
- Built a React frontend for inventory and procurement management.

TerraVault – Web-Based Encyclopedia Flask, HTML, CSS

- Developed a Flask-based educational encyclopedia covering science, geography and cosmology.
- Implemented responsive UI, search functionality and modular backend routing using REST APIs.

Certifications

- HackerRank Python (Basic)
- Infosys Springboard – Flask Basics

Achievements

- Secured offers from Capgemini and TCS.
- Solved 200+ DSA problems with a 5-Star Python rating on HackerRank.
- Winner – Zero Hour Summit Debate Competition.
